Foreword

This good offering from the herds of prominent breeders from the area northwest of Chicago presents an excellent opportunity to procure herd building Shorthorns of the most approved blood-lines.

Those who are supporting this sale by offering cattle have joined with the sale manager to select from their herds, young cattle that experienced breeders will welcome into their herds and that the novice can buy with assurance that they are the kind with which successful herds are built.

This catalog contains the pictures and pedigrees of bulls that will put extra profits into your herd, from tried and proven sires to extraordinary young prospects. The females range from cows with calves at foot and cows bred to outstanding herd sires down to a most attractive group of open heifers just ready for service.

A good herd of females needs a superior bull if progress is to be continued. This sale provides the opportunity to buy such bulls. A superior bull needs to be mated to well bred cows and heifers of approved type and character if his reputation as an improving sire is to last. This sale offers such females.

The breeders who are selling these cattle are well known. They are among the most reliable Shorthorn men and women in America. They are offering the best productions of their respective herds and a dozen, choice, imported and a half dozen, equally valuable, imported-in-dam cattle as well. You are invited to come to the sale to see the results of their breeding efforts and, if you wish, to procure some of these good Shorthorns for your herds.

For breeding purposes only the best of stock should be used. This sale provides an opportunity to buy the best.

—Will Johnson, Sale Manager,
The Shorthorn World.

The cattle that will be sold in this sale will be assembled and ready for inspection at the Dexter Park Pavilion, at the stock yards, in Chicago, by Sunday morning, June 2, 1946.

General Information

TIME—Tuesday, June 4, 1946, at 1 P. M., Central Time.

LOCATION—The sale will be held at Dexter Park Pavilion within the Union Stock Yards, Chicago, Illinois. Surface and elevated cars run from the downtown district to the Stock Yards and close to Dexter Park.

TERMS—The terms of the sale are cash unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. All cattle have been blood tested for Bang's Disease and tuberculosis within a period of thirty days prior to the sale. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Sale Manager nor the clerk of the sale assumes any liability, legal or otherwise.

REGISTRY—A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

MAIL BIDS—Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Will Johnson of The Shorthorn World; to Clinton K. Tomson of the American Shorthorn Breeders' Assn.; or to any of the consignors or the auctioneer.

AUCTIONEER—J. E. Halsey, P. O. Box 1317, Des Moines, Iowa.

SALE MANAGER—Will Johnson of the Shorthorn World, 16 South Locust Street, Aurora, Illinois.

DRYNIE ROGER 2245917 (IMP.)

Drynie Roger (Imp.) is the chief herd bull in the herd of Mr. and Mrs. C. A. Butland, Spring Willows Farm, Union Grove, Wisconsin. He is the sire of calves of great uniformity, with good deep bodies on sturdy well set legs, excellent heads and of the most popular color. Lot 1 in this catalog is a son of Drynie Roger and Lots 2 and 4 are his daughters. Lots 7 and 8 will have calves at foot by Drynie Roger and they are sure to be good ones.

ASCREAVIE DUTHIE (321719)

Ascreavie Duthie was a winner of first prize in the April class at the great Perth Show and Sale in Scotland in 1943. Since that time he has made an enviable record as a sire. At Inverness last October one of his daughters was the top selling individual, realizing 1,600 gns. in the sale. The only opportunities in America of which we know to procure the get of this famous sire will be in this sale. The bull that is Lot 3 is his son and the heifer that is Lot 5 is his daughter. They are grand individuals. The heifers that are Lots 4 and 6 in the catalog are bred to Cruggleton Elpin (Imp.), the son of Ascreavie Duthie. Do not overlook the opportunity to procure this potent blood.

Spring Willows Draft

Mr. and Mrs. C. A. Butland, Spring Willows Farm, Union Grove, Wisconsin, maintain a Shorthorn herd that was built with the idea of supplying their customers with stock of modern type, impressive character and ideal quality. Every animal in the herd has a pedigree that shows it to be descended from some of the outstanding sires of recent years.

During the past six months a number of U. S. breeders have visited Scotland. They have returned with great praise for herds from which Spring Willows Shorthorns were sprung. The first nine lots in this catalog are a draft from Spring Willows herd. They are the sort from which to breed if one wishes to succeed.

The Butlands made a profitable investment when they procured their herd bull, Drynie Roger (Imp.). His calves are the sort one would expect from a great bull, richly bred. He is that kind of a bull.

CRUGGLETON ELPIN 2300606 (IMP.-IN-DAM)

Cruggleton Elpin is a grand headed bull with great natural thickness and bone. No better bred Shorthorn has crossed the ocean in many years. His sire, Ascreavie Duthie, sire of the 1,600 gns. heifer at Inverness last fall, and his dam's sire, Cruggleton Perfect, have been described by Americans who have been in Scotland within the past six months as being among the greatest living bulls in that country. All agree that Cruggleton Perfect has justified his name both as an individual and as a sire.

KLAYMOR HEIR 2274161

Klaymor Heir is one of Klaymor Farm's outstanding productions and was the top animal in Klaymor's 1944 sale. His great red dam, Klaymor Princess Royal 8 by Collynie Royal Barrage (Imp.), out of Balthayock Princess Royal 23d (Imp.), was the first daughter of Barrage to be retained in the Klaymor herd and she is a full sister to Murphy Bros. noted bull, Klaymor Favorite. Lot 10 is rebred to Klaymor Heir and Lot 11 will be due to calve August 20 to his service.

Ringwell Farms' Consignment

James Ewell, owner of Ringwell Farms, Ringwood, Illinois, will sell just two lots in this sale but they are two that will be received with favor by those who attend the sale for the purpose of buying.

A year ago last October, Mr. Ewell paid the top price at the noted Klaymor sale and the top price for the year in all of Canada for Klaymor Heir, the grand bull that is pictured above on this page. His calves have come, in the Klaymor herd, and have come at Ringwell Farms and they leave no doubt that Klaymor Heir is one of the top breeding bulls of the country.

The Ringwell herd is not an old one but it is one in which fine quality and good Shorthorn character have been combined with the strongest of pedigrees to produce the sort of cattle that every discriminating breeder would like to own.

Note that one of the Ringwell draft is a granddaughter of the International grand champion Sheik of Leveldale, that her calf at foot is by the famous Edellyn Campeon Mercury by the Perth supreme champion Calrossie Mercury (Imp.), and that she has been rebred to Klaymor Heir. The other entry is a grand, young, dark roan cow by the Perth supreme champion Calrossie Mercury and she is also heavy with calf by Klaymor Heir. A visit to Ringwell Farms at any time before or after this sale will be worth while for all who enjoy first class Shorthorns in good surroundings.

SILVER CREEK SYLVIA 3d 2212517 AND HEIFER CALF

Silver Creek Sylvia 3d and her beautiful red heifer calf constitute a most desirable pair. She is just a young cow, her grandsire, Sheik of Leveldale, having been an International grand champion. Her calf at foot dropped January 9, 1946 is by the famous Edellyn Campeon Mercury 2071109. A son and daughter of Edellyn Campeon Mercury have been the undefeated grand champions at the best shows this year. Silver Creek Sylvia 3d has been rebred to Klaymor Heir 2274161.

The Anoka Consignment

It is a good many years since as many as eleven imported Scotch Shorthorn females have been offered to the public by one breeder at one time. This Anoka offering includes the imported bull, Gosshall Air Raid, five imported heifers with their calves, three that are safely in calf and two open heifers. Then there is Klaymor Idol by Aldie Reynoldstown, a favorite of many who attended W. J. Russell's last October sale.

The other Anoka bull entry is the deep red, yearling son of Imp. Drynie Roger whose conformation is close to perfection. The eight other females that complement the offering so perfectly are Canadian and home bred and in calf. Imp. Aldie Fresh Start has been used more than any other during the past few months and several are in calf to this deep, thick, heavy boned son of the noted Aldie Keystone.

The footnotes were written and supplied by Mr. Harding and they refer to bloodlines and some comments on sires and dams and ancestors close up. No one is better posted and better qualified to supply this very important pedigree information but Mr. Harding leaves it entirely up to me and those who favor the sale with their presence to pass judgment on the individual merit of these 20 cattle and calves.

I go on record here, they are at least what one expects an Anoka offering to be. Each and every bull, cow, and heifer has a good color, a good head and is generally level, thick and deep, as a good Shorthorn should be. The potential breeding value of these cattle present very special assurance of profitable results. But as I have stated above, you who attend are still to be the judges. I have, though, expressed my own opinion and I know that you will agree with me.

—Will Johnson of the Shorthorn World.

KLAYMOR IDOL 2329999

Klaymor Idol was in service in the W. J. Russell herd prior to his sale and purchase by Anoka in October, 1945. Aldie Reynoldstown sired James Ewell's great sire prospect, Klaymor Heir. In fact he is a proven good sire for W. J. Russell has good calves by him now the same as he will have calves by Klaymor Idol a year hence. Reynoldstown is also the sire of Roy Johnson's sire of International Congress winners. Idol is bred so he can turn out to be one of the greatest sires in the country. We have used him liberally at Anoka.

FOR REFERENCE ONLY

IMP. CRUGGLETON POSTBOY 2203604

Cruggleton Postboy 2203604 is an impressive, red, imported bull. His sire, Cruggleton Willingdon, is considered to be the best sire ever in service in the famous Cruggleton herd of A. J. Marshall, Stranraer, Scotland. An examination of this pedigree shows the names of such world famous bulls as Naemoor Jasper and Collynie Royal Leader in the footnotes on the three top sires. His calves are such as are to be expected from such strong breeding. The two impressive young bulls, Lots 31 and 32, are his sons and Lots 37, 38, 39, 40, 41, 42 and 43 are his daughters. Lot 34 has a red bull calf at foot by Cruggleton Postboy and is rebred to him. Lot 36 is bred to him also.

The Meyrose Farm Entries

Mr. S. Meyer, Meyrose Farm, Caledonia, Wisconsin, consigns a large number of excellent Shorthorns to this sale. This is a young herd and there will be no cattle in this consignment the pedigrees of which show more than one cross of Meyrose breeding, but it will be noted that the two Meyrose herd bulls that are shown are bred in the purple, that every Meyrose bred lot is out of a grand cow of richest breeding and that those not bred at Meyrose are from noted herds and have calves at foot or soon will drop calves by Meyrose bulls.

Cruggleton Postboy (Imp.) has been a great success as a sire, as was to be expected from his grand pedigree, Cruggleton Willingdon being one of Scotland's most famous living sires and his dam being closely descended from two of the breed's greatest sires of all time, Naemoor Jasper and Collynie Royal Leader.

Two of the heifers in this consignment are by Meyrose Peter, one of the best sons of the Perth supreme champion, Calrossie Prince Peter (Imp.).

The females not bred at Meyrose but carrying calves by Meyrose bulls are by the grand imported bulls Cruggleton Caesar by Garguston Sovereign and Scotston Airman by Balcairn Boleta and there is one by the International grand champion Gainford Marshal and one by the noted Klaymor bred bull Klaymor Diamond, sire of International Congress first prize winners.

A study of this consignment, Lots 31 to 45, will convince anyone that Mr. Meyer is breeding the right kind of Shorthorns. We assure you that these are cattle of great individual merit as well as of attractive pedigrees and that the buyer of these Meyrose Shorthorns will profit more than will the seller.

MEYROSE POSTMAN 2327464

Meyrose Postman is a bull that should go to some first class herd where he will be given an opportunity to sire real high class cattle. His sire being the impressive Cruggleton Postboy (Imp.) and his dam a granddaughter of the famous Sire and Perth supreme champion, Millhills Ransom (Imp.). In fact, everything about this young bull and his pedigree is good.

Due to an accident, Ringwell Fairy Flower had to be withdrawn from the sale. Mr. Ewell has substituted one of the best heifers in his splendid herd. She is one that had been intended for a foundation cow but he has entered her in the sale in order to maintain the high standard of this auction.

SECRET 6th 1994830 AND BULL CALF

Secret 6th was junior champion female at the Missouri State Fair when a calf, the only time shown. She is low set, thick and smooth and with a perfect head. She sells with a red bull calf at foot, dropped November 25, 1945, sired by Cruggleton Postboy (Imp.). She was rebred to Cruggleton Postboy on February 7. This pair would be a great attraction to any sale anywhere.

EDELLYN ROYAL LEADER 8th 2197010

Edellyn Royal Leader 8th was the top bull of Edellyn's 1944 sale where he realized the top price for many years of \$9,000. His sire is the All-American Favorite, Edellyn Royal Leader (Imp.). His dam, Marellbar Goldendrop, was an International first prize winner and his granddam was the top female of Edellyn's 1938 sale and her dam is one of the top imported cows in America. While \$9,000 seems a big price to pay for a bull calf, this one has more than justified the expense and is siring as fine a lot of calves as are to be found on any farm in America. Lot 52 is heavy with calf by this grand bull and Lot 47 is his brother.

Millgate Farms

Just a few miles north of Edellyn and Marellbar Farms and just a mile west of Wadsworth, Illinois, is the farm of Millgate where George W. Rossetter & Sons have built one of the best herds in any of the Central States.

Headed by Edellyn Royal Leader 8th that is assisted by the noted sire Edellyn Command (Imp.-in-dam), and built upon top females of leading breeders' sales of recent years, every animal bred at Millgate is of the sort to improve America's herds.

The two bulls that head this herd's consignment were bred by Mr. Rossetter and sired by one of the top sires in each of Edellyn and Marellbar herds, Edellyn Royal Leader and Newallyn Ian. One of these is out of a daughter of the Perth supreme champion Calrossie Mercury (Imp.), the other out of a daughter of Klaymor Cap-A-Pie by Collynie Royal Barrage (Imp.).

The get of Edellyn Command and Reserve Grand Marshall are most attractive and will prove to be profitable units in any herd into which they may go.

You are invited to visit Millgate Farms whenever convenient. We assure you that you will profit from the purchase of Shorthorns from this grand herd.

MILLGATE IAN 2320038

Millgate Ian was sired by Newallyn Ian, the \$5,000, 1945 Ft. Worth, senior champion bull. His dam was the top of one of the good Marellbar sales and is out of one of the finest imported cows in Illinois. He is one of the deepest, thickest, smoothest, young bulls that will be offered this spring. Be sure to look him up at the sale.

MILLGATE ROYAL LEADER 2d 2320040

Millgate Royal Leader 2d is easily one of the best bulls that will be offered for sale this year. When you see his great head, straight lines and smoothness throughout, you will agree with this statement. In addition he has good bone and plenty of thickness and quality. It has been demonstrated often of late that there is no better cross than that of Edellyn Royal Leader on the daughters of Calrossie Mercury. Here is one of the best examples of that cross.

EDELLYN COMMAND 2000000 (IMP.)

Edellyn Command (Imp.) has always appealed to knowing cattlemen. His sons are proving to be wonderful sires wherever they have gone and his popularity increases with the years. His daughters also improve with age and make ideal brood cows. He is the son of the famous Cluny bull, Calrossie Command, by the Perth supreme champion, Calrossie Control. In this catalog Lot 48 and Lot 49 are daughters of this good sire. Lots 50 and 51 are heavy with calf to his service.

AUGUSTA 192d—Is a very low set, typy heifer with breediness and quality and a good pedigree.

The Hickories

The Hickories, at Pardeeville, Wisconsin, owned by Dr. W. A. Taylor, Portage, is one of the most attractive farms in the United States. Its Shorthorn herd is just as pleasing as are their surroundings. Headed by the two great sires, Mint Master and Royal Ransom, the herd is distinguished by its low-set, compact type, its good heads and its general all around quality and thick fleshing.

Like the other consignors to this sale Dr. Taylor has built upon the best and most popular bloodlines of the breed. The pedigrees of the two bulls and eight females in this consignment show the names of prominent breeders throughout and the cattle are such as one would expect to find with such pedigrees.

Dr. Taylor and his manager, Don James, invite you to study the cattle in this good draft from their herd and to make selections. These are profitable Shorthorns from the use of which you can be assured of advancing in the Shorthorn industry.

Visit the beautiful Hickories farm. Always there are young Shorthorns from which to select. The ones in this sale are true examples of what you may expect to find at The Hickories.

ROYAL RANSOM 2194670

Royal Ransom is one of the best headed, shortest legged, most compact bulls ever to have been in service in Wisconsin. His sire, O.A.C. Ransom 21st, headed the noted Murphy herd in Canada and sired as uniformly pleasing cattle as any bull of his day and they were tops on several occasions at Canada's greatest sales. Lot 54 is a good son of Royal Ransom and Lots 61, 62 and 63 are his daughters.
